Opticam-IR

Color Day/Night Waterproof Bullet Camera with Opticoax Adapter

This attractively designed and durable bullet-style color camera is versatile enough for the most demanding video applications. Honeywell's Opticam-IR makes 24/7 surveillance possible with its robust feature set, which includes an Opticoax-1 adapter to integrate with the Honeywell's Optiflex Video Controller.

Honeywell's Opticam-IR infrared capability makes it ideal in both low light or no light applications. This Day/Night camera has 12 LEDs that are controlled by a CDS sensor to maximize viewing. The built-in infrared lighting can facilitate a range of up to 45'. Color pictures are seen when light levels allow and the camera automatically switches to black and white in a reduced lighting environment.

The camera's rugged, waterproof housing lets it stand up to the elements. It comes with an adjustable sunshield and 5' cable to optimize installation. You'll find the stylish, high-performance Opticam-IR the ideal video solution for homes or businesses.

FEATURES:
