Discontinuation Announcement – Honeywell’s Opticam-IR CCD Day/Night Camera

Dear Valued Customer:

Please be advised that the Opticam-IR, CCD Day/Night camera is being discontinued. Honeywell Video Systems has a complete line of cameras that are suitable for use with our Optiflex Video Controller, by simply installing an adapter (Opticoax-1 or Opticoax-3).

Please visit this link for details regarding Honeywell’s new Performance Series Cameras.
