

The ADT-ABS-4D is a single-row enclosure for use with the ACS series annunciators and the Multi-Net Network Annunciator (MNNA). The enclosure is suitable for both surface mount and semi-flush mount (requires optional trim ring) applications.

Available in either gray or red, the ADT-ABS-4D includes the backbox, locking door with LEXAN® window, and two keys. Conduit access is provided via five knockouts on the top of the enclosure, five on the bottom, and three on the back surface.
