

iSeeVideo™

Let Napco show you how to generate tons of recurring revenue from video

As pioneers in this explosive new category, Napco can help you with everything you need to know to participate in what SDM calls "the next evolution of CCTV"

How to get started ...

Purchase an iSee Video VIP-Gateway/24X kit at your local distributor, and you get 2 years of access to the iSee Video server, included.

or

Install your own server. It's easy with Napco's iSee Video software and VIP-Gateway modules, and you'll be in total control of your service customers. Call our iSee Video Server Installation Team at 1-800-645-9445, press 3, and we'll help you customize your application.

Truly plug and play, the VIP-Gateway modules put any four cameras online, on your server, or on ours with VIP-Gateway/24X

Works with any brand of analog video camera
