

READYKEY™ K2017 and K2018 Mounting Brackets Installation Instructions

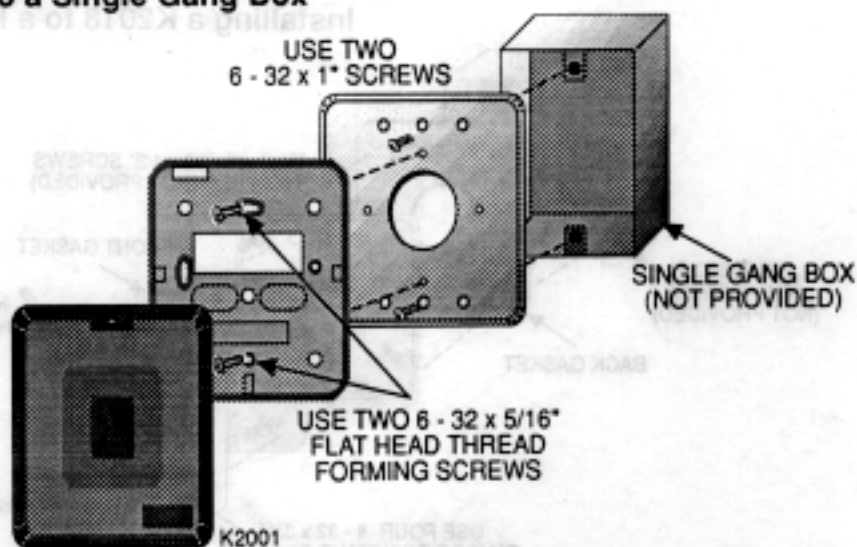

Description

The K2017 and K2018 Mounting Brackets are accessory products for the READYKEY™ proximity readers.

The black K2017 is used to mount the K2001 Reader to a single gang or double gang electrical box.

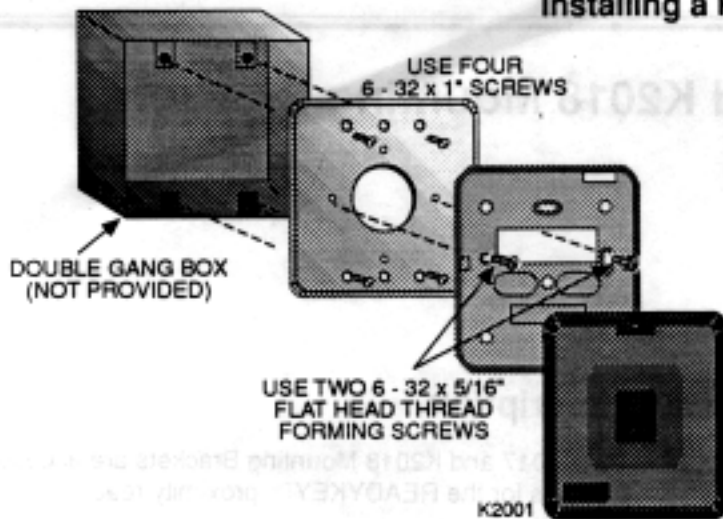

The brushed metal K2018 is used to mount the K2002 to a single gang box, a double gang box or four inch square electrical box. Neoprene gaskets and tamper resistant screws are provided with the K2018 for use in outdoor applications.
