Street Address  City  State  Zip Code

Contact Last Name  First

Contact Phone Number  Contact FAX Number  Email

## TELGUARD INFORMATION

Telguard Digital Serial Number

## REMOTE SYSTEM TEST

All rate plans include options for a Telguard Self-Test signal to be sent to your Central Station. The PASS signal verifies the connection of the Telguard to your central station and logs status information at the Telular Communication Center. The FAIL signal is transmitted to the central station if the Telguard does not respond. Enter the Self-Test Code(s) that should be transmitted. You may choose to transmit PASS ONLY, FAIL ONLY, or BOTH.

Automatic Self-Test	
PASS CODE	<input type="text"/>
FAIL CODE	<input type="text"/>
Master Account Number (Partitioned Panels Only)	<input type="text"/>

## RATE PLAN SELECTION (Select one of the following)
