BILLING INFORMATION

In order to activate Telguard Digital systems on the Telular cellular network, you must be a registered Telguard Dealer. Enter your Dealer account number below. If you are not registered as a dealer and would like more information, contact Telular at (800) 229-2328, Sales Department.

Dealer Company Name _____ Dealer Account Number _____

Street Address _____ City _____ State _____ Zip Code _____

Contact Last Name _____ First _____

Contact Phone Number _____ Contact FAX Number _____ Email _____

TELGUARD INFORMATION

Telguard Digital Serial Number _____

REMOTE SYSTEM TEST

All rate plans include options for a Telguard Self-Test signal to be sent to your Central Station. The PASS signal verifies the connection of the Telguard to your central station and logs status information at the Telular Communication Center. The FAIL signal is transmitted to the central station if the Telguard does not respond. Enter the Self-Test Code(s) that should be transmitted. You may choose to transmit PASS ONLY, FAIL ONLY, or BOTH.

Automatic Self-Test	
PASS CODE	
FAIL CODE	
Master Account Number <small>(Partitioned Panels Only)</small>	

RATE PLAN SELECTION (Select one of the following)

Monthly Test 10 signals (1 test & 9 alarms per month)	<input type="checkbox"/>	Day of Month (1 to 28)
Weekly Test 20 signals (5 tests & 15 alarms per month)	<input type="checkbox"/>	Day of Week (Mon. to Sun.)
Daily Test 46 signals (31 tests & 15 alarms per month)	<input type="checkbox"/>	N/A

CENTRAL STATION REPORTING

Telguard will obtain the Central Station Receiver and Subscriber Account numbers from: (select one of the following)

Alarm Panel (C/C). The Telguard will obtain Central Station Receiver and Account numbers from the Alarm Panel. Note, the alarm panel must dial a 10-digit number.

TCC (Telular Communications Center). The Telguard will transmit all zone information to the Central Station Receiver and Subscriber Account number specified here:
 Central Station Receiver Phone Number: Primary (____)____-____-____ Secondary (____)____-____-____
 C/S Reporting Format: _____ Subscriber Account Number: _____

DEALER ACCEPTANCE

Dealer acknowledges and accepts all Telular Terms and Conditions. Dealer authorizes the immediate activation of service.

Signature _____ Print Name _____ Date _____

Subscriber Information:
The name and address of the location where the Telguard will be installed.

Billing Information:
The name, address, and 4-digit Telular Dealer Account Number of the company that will be billed for the Telguard Service.

Telguard Information:
The 10-digit serial number found on the Telguard.

Remote System Test:
The alarm codes that should be used if the unit passes or fails its self-test. (See Table 1-1)

Rate Plan Selection:
Select a Monthly, Weekly, or Daily self-test. For TG-1 residential installations, select Residential TG-1 Fixed Rate.

Central Station Reporting:
Most users should select **Alarm Panel**. However, if the Telguard will report to a different account code or receiver phone number over cellular, select **TCC** and fill out the information in the space provided.

Dealer Acceptance:
Sign and print your name and the date.
